Rene Kambouroff Heads Chamber of Commerce

RENE KAMBOUROFF

Rene Kambouroff was elected president of the St. Albert Chamber of Commerce at last night's annual meeting held at the Club Mocombo.

Vice-president is N.M. Ross; secretary, Bob Bate; and treasurer J.A. Tardiff. The directors are L. Cote, Dr. W. Cuts, R. Bonnyville, R. Parenteau, E. Coles, and John de Bruijn.

A hearty vote of thanks went to retiring president Jim Byrne. In accepting the presidency Mr. Kambouroff said he would do his utmost to do as well for the Chamber as other presidents had done and said he would listen to any suggestions from the members.

The treasurer's report, given by Peter Zuidema, showed receipts of \$2,505

and expenditures of \$3,084.90.

There were 16 members and two visitors present compared to 14 members attending the 1967 meeting.

Dick Magee reported that there were 44 members paid up in 1967 and urged the new membership chairman to seek new members during chamber of Commerce week in April so they could take advantage of the national advertising.

In the president's address Mr. Byrne thanked his executive for the help received during his two-year term of office and said many projects had been completed in that time. He named a few, as; shop in St. Albert campaign, the urging of lights from the city of Edmonton to St. Albert, bus-stop benches, the Centennial ball, Christmas light-up campaign and the radio campaign to promote shopping in St. Albert six days and six nights a week.

In closing Mr. Byrne said it was his sincere hope that the new executive will get support and encouragement in the coming year and recommended that they do all in their power to create a strong civic affairs committee to further the advancement of the principles and objectives of the Chamber.

As the new president, Mr. Kambouroff was chosen to attend the Chamber Conference to be held at Banff in June.

John de Bruijn, Deputy Mayor

John de Bruijn was appointed deputy mayor for the week of Feb. 17 through to Feb. 24 inclusive.

Mayor Fowler advised that Councillor Lukay would be placed on the public works committee and that Councillor Gibbon would move to the finance committee taking Mr. de Bruijn's place.

The standing committees will be as follows: Finance committee: Councillors Wheatley Gibbon and Donalds; public works committee: Councillors Bakker, de Bruijn and Lukay.

He suggested that at the next meeting the committees elect new chairmen due to the change in memberships.

Mr. Gibbon was appointed as the representative of the town of St. Albert to the emergency measures organization.

Mr. G. Liguori of Canadian Urban and Regional Planning was present at council's request for they

25,000 to 99,999 population. The Town of St. Albert won second place in their population division.

Wetaskiwin received honorable mention for population classes. The contest is sponsored by the fire prevention and clean up campaign committee which seeks by this means to secure public participation activity directed to reduction of loss of life and property by fire.

DONALD J. LABELLE

Donald J. LaBelle, public relations director, Alberta Association of Registered Nurses, has been elected Chairman of the Board of Directors of the St. Joseph's Seminary Society at their recent annual meeting.

Hugh MacDonald, principal, St. Mary's High School was appointed vice chairman, while Greg Schiller, Edmonton Journal, was named as treasurer. Mrs. Florence Ayotte was returned to the position of secretary.

The Society is responsible for the spiritual and temporal welfare of seminarians and each year promotes a collection from parishioners to off-set some of the costs of running the Seminary.

Plebescite March 13

A vote of the proprietary electors has been called for March 13 to determine the fate of the five by-laws that have been petitioned against by 251 ratepayers of the town of St. Albert.

The decision was made at the meeting of the St. Albert town council held on Feb. 12 and results from a petition being presented at city hall against by-laws No. 41/67 to purchase machinery for \$24,975; No. 43/67 for construction of a ski tow, \$3,500; landscaping of parks development, \$6,500; No. 45/67 construction of sidewalks and walkways, \$12,800 and No. 46/67 for the recapping of streets and parking areas.

The streets and parking areas involved in the last by-law are as follows:

Glenmore Crescent from Grosvenor Boulevard to Grosvenor Boulevard; Grandin Road from Ball Avenue to Grandville Avenue; Grosvenor Boulevard from Grenfell Avenue to Grandin Road; Sir Winston Churchill Avenue from 1200 feet East of Perron Street to Grandin Road; Perron Street from lane South of St. Thomas Street to St. Anne Street; Spruce Crescent fronting Lots 17 to 24 inclusive, Blk. 7, Plan 4997KS; Brandon Street from Bishop Street to Sturgeon Road; Sturgeon Road from Brandon Street to

St. Albert Road; Sunset Blvd. from Salisbury Avenue to Sterling Street; Perron St., from Mission Avenue to 350 feet South of Mission Ave.

Gravelling Parking Lots including Fencing: Grosvenor Park (Parcel R1, Plan 1108MC), Mission Park (Lot 27, Block 8, Plan 3159KS).

Council brought up the fact that if by-law No. 46/67 was not passed on the forthcoming plebescite then it would go to the voters again in the October elections or it would be taken out of current revenue, if permissible. It is necessary that these streets be repaired or they will deteriorate rapidly, Mr. Bakker said.

Members of the development appeal board were appointed. They are Fred Laird, Bill Veness, Rudy Scheibelhofer and council representative, John Bakker chairman of the public works committee.

A by-law was passed prohibiting use of power toboggans and motor vehicles on any school lands in the town of St. Albert with the exception of a power toboggan route through Paul Kane school site to be designated by the St. Albert School district No. 6 board.

Second and third reading were given to by-law 52/67 providing for the rezoning of Lot 44 Block 9 Plan 5310KS 41 Sunset Blvd., to a residential zone. Formerly it had been zoned for a church but plans for this have been scrapped. Three persons from the area appeared at the meeting in answer to a letter sent out by council. They stated they had no objection to the passing of the by-law but requested an access sidewalk be provided to Sunset Blvd.

To Seek Teachers in U.K.

The St. Albert Protestant Separate School Board will seek teachers for the coming year in the United Kingdom.

At the meeting of the board held on Feb. 8 Dr. W. J. Chalmers, superintendent, was authorized to go to the United Kingdom to recruit teachers for the school district.

The school board has received over 100 applications for positions from United Kingdom teachers seeking employment here. This resulted from advertising in British newspapers.

In the discussion on the subject it was shown that Northland School Division had tried this method of recruiting teachers and found it most successful. The Edmonton Public School Board will also send a representative over there under their recruitment program.

In the Northland district \$4,000 had been spent in advertising in Canadian papers and only two to three teachers found. Then they tried sending a representative to the U.K. and they were able to sign from 30 to 40 at a considerably less cost than the \$4,000 spent on the advertising.

Hendon and Holubitsky were appointed as architects for the upgrading of St. Alexander MacKenzie school subject to the approval of the school buildings board.

Wins Fire Prevention Awards

For the tenth consecutive year the Province of Alberta has won special recognition from the judges of the N.F.P.A. 1967 Fire Prevention contest. Alberta had more contest entries than any other province and Canada had more entries in the municipal division than the whole of the United States. This is indicative of the interest of Alberta Fire Chiefs in fire prevention as a major role of municipal fire departments.

St. Albert was municipal contest winner in the top thirty Canada National Ranking. Also in the municipal division municipal class ranking, thirteen communities won awards. The City of Red Deer fire department won first place for Canada for communities of

mittee of the Alberta School Trustees Association, Zone Branch No. 2, and was requested to attend the next meeting of this body on March 18.

Schools will be closed on Feb. 22 and 23 in order to allow the teachers to attend their annual convention.

The physical education instructor was authorized to use taxi cab service when necessary to convey the students from the High School to Vital Grandin School only for recreational activities.

Mrs. Gillis, Mrs. Greenwood, Mrs. Dixon and Miss DesLauriers will be allowed to reside beyond the boundaries of the district in accordance with section 363a of the school act.

Dick Fowler, Mayor of St. Albert, has just filled out his membership papers as an honorary member of the St. Albert Branch, Royal Canadian Legion. He passes the certificate back to Dean Dreaney, chairman of the membership committee (right). Jim Olliphant, the president of the Legion (left) was also present to assist in the ceremony.

School Dist. No. 3 Calls Meeting

In order to continue its policy of developing improved methods of instructions, the Board of Trustees St. Albert School District No. 3, will convene a special meeting on Feb. 26 at 7:30 p.m., to study and discuss the recent publications and material in regard to

curriculum patterns and other educational matters.

It is the intention of the trustees that in due course all administrative personnel will be requested to participate more extensively in these programs.

Donald LaBelle was appointed to the executive com-

Opposition Sets Targets

The Progressive Conservatives facing their first term as the official opposition have set themselves certain targets to be aimed at in the legislative session opening on Thursday. Mr. Peter Lougheed in a press

interview listed the issues as the need to get government back into the hands of the assembly and out of the hands of the cabinet and civil service, stressing that it was parliament as the elected representatives that was responsible to the people not the cabinet. He also believed that the estimates as presented in the budget speech required very careful examination, pointing out that this province has both the highest expenditure per

capita and also the greatest number of civil servants per capita.

He also stressed the need for "adequate public debate" on priorities in government programs and to examine and expose possible weakness and errors in the existing and proposed programs and policies of the government, particularly in the field of government spending, now the honeymoon is over and in the light of the ever rising cost of education, perhaps a complete review of education finance is required.

Coronado News

The Coronado U.C.W. Unit 11 met Feb. 7 at the home of Anne Chipchar with seven members present.

It was decided to continue supporting Lavine Edney the foster child in India for at least another six months. The group received a Christmas card and a letter from her at Christmas.

The second session of the sewing course is to be held at the Coronado Church Hall on Feb. 19, 20 and 21. The item made is to be lined and have at least one horizontal line. Everyone is welcome.

The patchwork apron was opened and it was decided to send the contents of about \$15 to the cancer fund in memory of John Fraser Jr.

A new executive was appointed with Anne Chipchar as president, Helen Hughson as treasurer, Mary Montpeiller, secretary and Betty Hofs, reporter.

Shocking Atrocities

The Busby congregation of Jehovah's Witnesses begin this week a door-to-door campaign to make the public aware of the shocking atrocities being committed against members by sadistic mobs in Malawi, Central Africa.

Calling the acts a shame on Africa, Nester Fedorovich presiding minister for the Busby congregation of Jehovah's Witnesses, said eye-witness reports showed many have been beaten, robbed, some killed and their homes burned. More than 1,000 women Witnesses have been raped, often before their own husbands and children who were forced to watch. In the Mlanje area of the country 40 women who were thus abused were pregnant. Each one suffered a miscarriage.

"The atrocities have been committed by persons inflamed by the spirit of nationalism," Mr. Fedorovich explained, "mostly by mobs made up of members of the youth league of President H. Kamuzu, Banda's Malawi Congress Party." He claimed the youth league resemble China's Red Guards who have terrorized so many there. "The only 'crime' of Jehovah's Witnesses in Malawi has been their refusal to join Banda's political party, buy a membership card and wear Banda's

picture on a badge," he said.

The Malawi News of Nov. 24 quoted President Banda as saying: "If anyone of these people are in trouble they should not go to the police but should go to the church and pray." Hence,

there has been little or no action on the part of the police to stem the tide of vicious persecution, Mr. Fedorovich added. "It is hoped that people who love justice and freedom will write to the government of Malawi to protest this cruel treatment of harmless Christians."

Newton & Rogers to Headline Show

The 1968 Klondike Days' grandstand show will be produced by McLellan Associates Inc. of Chicago, Illinois. McLellan Associates Inc. is headed by Stuart McLellan, who produced the grandstand show in Edmonton in 1964, 5 and 6.

The 1968 show will feature three stars with a supporting cast and each headliner will appear in Edmonton for three days. Two headliners have been signed - Wayne Newton will star in one show and Roy Rogers and Dale Evans along with the Sons of The Pioneers will lead the other show. The third show's star will be announced within 10 days.

The policy of having a free grandstand show has been dropped due to increasing costs and tickets will be selling for \$2.00 and \$1.00 with half-price for children. All seats will be reserved.

the Gazette REFLECTS

As members of the Alberta Teachers' Association prepare to meet again for their annual convention there are some areas of concern which many parents would wish to be discussed, and the results of the discussions made public. Some of these matters are causing grave concern and others some perplexity. We list some of the questions for which answers are sought, as evidenced by widespread publicity given them and in conversation with a number of parents. The list does not, of course, cover all the questions in the minds of parents and ratepayers.

1. A grade one teacher in Saskatoon was getting such tremendous results that educators from various points across the continent came to observe her methods, which were not as prescribed and used by other Grade one teachers. It developed that she had no degrees whatsoever in education. Yet the ATA salary schedules base teachers pay according to degrees obtained. Is there something lacking in using this method exclusively to assess good teaching?

2. Leaders of our society are constantly telling us that something must be done to check the alarming increase of suicides among teenage students. Since we must turn over our children to teachers for some six hours per day, five days a week for at least 12 years, we feel the ATA has a responsibility along with parents in this matter. Could they give us their ideas on whether school pressures are involved in these suicides and if so how parents and teachers can work together towards a solution?

3. In how many classrooms is the following practice in effect? At Grade nine level (and sometimes starting at Grade 8) an entire classroom is given a pep talk with figures on what they may expect to earn as university graduates, as compared to much lower figures for anything less in higher education. The university figures fit exactly into the picture every student has in his mind from years of TV and movies. So every kid in the class is told in effect to work like mad so he can one day own his own beautiful home - a big car - a boat - a summer cottage - like the people in the world he has had pictured so vividly and so often to him. But the teachers know - and the students know - that the larger proportion do not have the academic capability to accomplish university entrance. Does not this practice put too much pressure on our kids - especially those who can almost make it with abnormal effort? Is this pressure a cause of vandalism in the schools - drop-outs - taking drugs? Parents undoubtedly aid in exerting these pressures - what does the ATA have to tell us?

4. Parents know and teachers know that within the ATA there are incompetent teachers. The ATA tells parents we must pay these incompetents on the same wage scale as we pay good teachers. And further that we may not discharge a known incompetent unless we discover it in the FIRST year of teaching. May we expect ATA discussions to come up with some practical solution to this problem?

5. Many parents are interested in results being obtained by schools who are not using the Grade system, as we know is recommended by some top ranking educators. Could the ATA report on how many schools in Alberta are using this system and what they feel should be future action?

6. The so called "Free" schools are the major new idea of this century to provide more adequate education for today's requirements. Has the ATA plans for establishing a pilot project to study this idea in Alberta. Could we be informed of their views, plans and what kind of support they would need from parents to investigate the potential of this type of schooling.

7. Since the needs of the children should be the major concern of both teachers and parents, have we sufficient dialogue between the two groups. Has the ATA some ideas on improving and enlarging this dialogue?

We wish the ATA well in their upcoming deliberations and assure them the public is interested in their ideas and problems.

"SOMETHING TO THINK ABOUT"

Are you a lady who has a genuine interest in young girls? Do you feel you can spare some time for a truly worthwhile cause? Why not become a Guide Leader... Your help is needed. Many Guide Troops have waiting lists and youngsters eager to join are turned away! If you can help, contact any of the Guide Commissioners or any one you know who is involved in the Guiding movement.

JOHN F. KENNEDY

"... Human brotherhood is not just a goal. It is a condition on which our way of life depends. The question for our time is not whether all men are brothers. That question has been answered by the God who placed us here on earth together. The question is whether we have the strength and the will to make the brotherhood of man the guiding principle of our daily lives. Can we match our actions to our words?"

Letter to the Editor Does Not Like Column

I am very disgusted to read our Mayor's weekly Memo, which appears in the Gazette every following week.

His columns are very distasteful and not appealing to the public. I have read all his memos with great interest, and came to the conclusion, that it sounds like literal blackmail.

It is a shame, that we as taxpayers of St. Albert have to read such distasteful columns from a man we have voted into high office. I have kept a lot of his memos, and people from Edmonton have read them too, but I do not wish to comment on their reaction at this time.

I would like to recall his memo from February 7th, 1968 in which, he stated: "I regret the necessity to spend \$1,500,00 of your money (nearly one-half the Ski-Tow) but it is the will of 5% of the Propriety Electors that we do so, so it shall be done."

Since I am a taxpayer of St. Albert I do have the feeling, that our mayor seeks revenge or does he think

that we are some kind of nuts? That he could ram down the peoples throats what they don't want?

Sometimes I believe, that we have failed to vote the right man in office. Furthermore, I would like to touch on his last two lines in his latest memo, which reads as follows: "Either we borrow the money or we add it on taxes. It's that simple".

I would like to mention, that it is simple to oust our mayor out of office. It's that simple too.

As far as I am concerned I would like to be first person of St. Albert to sign a petition in non-confidence, and I am aching, that soon such a petition will go around.

Up to-date I haven't signed a petition, as yet. From the last five by-laws rejected, I believe, that when people are interested in having a Ski-Tow they should find ways to finance their own project, as other clubs do. I also must say "that it was regrettable, that taxpayers have rejected the other four by-laws as proposed." But, then I do not

blame the taxpayers either since they pay the highest taxes in Alberta.

I moved to St. Albert in 1960 and my taxes were \$224.00 since my taxes have increased to \$428.88 an increase of 91%. With it my payments to the CMHC have also increased in their payments, and there is our Lordship the Mayor, who threaten the taxpayers of St. Albert if he can't have it his

way - he will slap it on the taxes.

A word to the groups canvassing for the last petition "You have missed a lot of people!" Herewith, I wish that our Lordship the Mayor would like to write his memos more polite and appealing, and please stop writing through the Septic Tank.

RAY GIBBON

Again in 1967, Sun Life's ideas for insurance protection, savings and investment funds have been enthusiastically received by individuals, families, groups and businesses, as figures below show.

In 1968, new dividend scales will result in increased dividends to individual policyholders, and these dividends will reduce the outlay for a participating policy or increase the savings and protection.

Request for Briefs on the Question of Amalgamation

Following a public Meeting held on October 4, 1967, for the purpose of discussing the possibility of amalgamation with the City of Edmonton, it was decided by Council to invite written briefs from citizens and groups, expressing opinions on the question of amalgamation or alternatives thereto.

Written briefs on this question are hereby solicited. Briefs should be submitted to the undersigned in duplicate not later than February 29, 1968.

It is anticipated that public meetings will be held about the middle of March to give consideration to this important question.

Dated at St. Albert this 23rd Day of January 1968.

By Order of Council,

J. M. Fleming
Secretary-Treasurer
Town of St. Albert

Sun Life Shows Sales Increase

Sales by Sun Life Assurance Company of Canada increased 42 per cent and reached \$1,871,602,000, Sun Life's senior representative in St. Albert announced following the annual meeting. These record sales for a Canadian life insurance company brought total Sun Life insurance in force at year end to \$15,594,500,000. Of this total \$8,636,639,000 is in individual contracts and \$6,957,861,000 in group contracts.

Mr. Gibbon announced payments to policy holders, annuitants and beneficiaries

reached \$279,312,000 up \$16,000,000 over 1966 payments. This included \$66,446,000 in dividend payments on policies. Dividends in 1968 are estimated at \$71,011,000, and the company has again increased its scale of dividends.

Assets increased during the year by \$137,013,000 to \$3,235,752,000. Mr. Gibbon said Sun Life mobilizes these savings of its policy holders by investing them in bonds, stocks, mortgages and real estate in all regions of the country.

Hundreds of Human Tissues

Although only two years old, the South African human tissue bank could already be ranked with the best in the world, says Dr. H.J. Van Eck president of the National Council of Cripples Care Association. Opening the bank's new offices in the South African Institute for Medical Research Building in Johannesburg last week, he said that the bank supplied 900 tissue grafts last year.

The grafts included human

bone, eyes, cartilage, nerves, skin and heart valves. The bank was grateful for the outstanding interest of the people of Johannesburg, many of whom willed the tissue bank their healthy organs when they dies, said Dr. van Eck.

Professor J. Murray of the Institute said tissue grafts were used on a national scale although for technical reasons material was collected only from the Rand and Pretoria.

Kick in Champagne Cork

Being hit in the eye by a champagne cork is no slight injury, says the Medical Post. It reports the findings of a group of London doctors, who after seeing eight such cases (four of them professional waiters or waitresses), have estimated that a cork from a bottle of "bubbly" travels at a speed of 45 feet a second, enough to send it 40 feet in the air.

The one-ounce champagne cork with its lead shield can thus travel the two feet from

bottle to eye in one-twentieth of a second and as the blink reflex takes one-tenth of a second the cornea can receive the full impact.

The London doctors say many of these injuries could be avoided by the simple trick of holding a napkin over the cork while the wire retainer is being undone. The bottle should be pointed away from all nearby faces, including that of the uncorker. There was no suggestion that people should give up drinking champagne.

Jim Oliphant, president of the St. Albert Royal Canadian Legion is presenting a cheque for \$109 to Russ Pollard (extreme left) co-chairman of the Kinsmen Minor Hockey Association. The money was to pay for the Legion's Pee Wee team hockey sweaters. Boys in the picture are wearing their new sweaters. Also in the picture left to right from Mr. Oliphant are Coach Ron Grosse, referees Larry Ferber and Ron Erickson and Louis St. Luke. Mr. Erickson is chairman of the Kinsmen Hockey Association.

Knights Edge St. Paul

The Knights of Columbus St. Albert Mustangs traveled to St. Paul Feb. 11 and edged the hometown St. Paul old-timers 10 - 8 in an exhibition hockey game before a packed crowd.

The entire proceeds from the game were donated to the St. Paul retarded children's fund.

Len Lafrance led the K.C. attack with two goals while

Art Martineau picked up one goal and three assists. Single goals were also scored by Richard Lafleur, Pierre Joly, Ray Lafrance, Bob Pampu, Mitch Bizon, Roger Montpetit and Phil Hebert.

The Knights play another exhibition game in Morinville Wednesday night against the local council of the K.C.s and have issued a challenge to the St. Albert Kinsmen.

Basketball

On Feb. 10 Namao School was host to a junior high school girls basketball tournament. The first game was played at 9 a.m. and the final was scheduled for 8:15 p.m.

Eight teams competed in the tournament, they were: Legal, Namao, Bon Accord, Gibbons, Horse Hill, Camilla, Mission Park and Georges Vanier.

The teams advancing into the finals for the consolation trophy were Georges Vanier and Bon Accord. At the final whistle the game was a deadlock at 14 to 14. A three minute overtime period was played and Georges Vanier came out the winner by a score of 16 to 14. The winning points were scored by Cecile

The members of the Georges Vanier junior high school girls basketball team are: Grace Morris, Rita Craig, Pauline St. Laurent, Cecile Beaupre, Elaine Warren, Lorraine Boissonnault, Connie Wojtkiw, Connie Craig, Sharon Saunders, Collette Boissonnault and Yvonne Leblanc.

The manager of the team is Miss Paulette MacDonald and the coach is Donald Weiss.

The final game for the tournament trophy was played at 8:15 p.m. with Namao meeting Horse Hill.

The St. Albert Purple Dude Wranglers beat Legal in a game played at Legal on Feb. 11 by a score of 68-59. At halftime the score was 33-25 for the Wranglers.

High scorers were Malcolm Turner, 13 points and Dale Turner and Terry Miller each with 11 points.

Paul Kane Boys Undefeated

On Feb. 9 the boys and girls teams from Paul Kane were host to the Stony Plain teams. The boys from Paul Kane defeated the team from Stony Plain in overtime by the score of 54-53.

This makes Paul Kane's record six wins and no losses. Paul Kane was crippled by the loss of Pat Kane. Top scorers were Hans Zyttra and Bill Connauton with 22 and 11 points respectively.

The Girls suffered a defeat which set their record

at three wins and two losses.

The game was close all the way with Stony Plain finally winning out 40-37. Top scorers were Gudrun Meyer with seven points and Marg Laird with nine points.

Next games for Paul Kane are at the conference finals at Vital Grandin on Feb. 17.

Oratory 101

Father Jan School presented Oratory 101 in the school auditorium Feb. 9. Every student in the school had been involved in the preliminaries, with each room narrowed down to two finalists at the end of last week.

On Feb. 9 all finalists came together to compete against each other. Judges for the afternoon were Mrs. N. Ross, Mrs. R. Fowler and Lloyd Deutscher. Grades 1 and 2 recited a short poem, chosen by their teachers. Grades 3 and 4 presented a two minute short story. They were allowed their teachers' help with selecting a subject.

Grades 5 and 6 chose

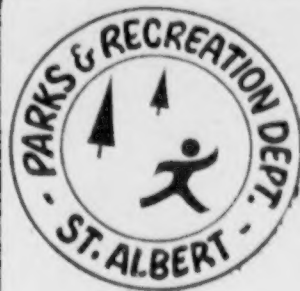

their own subjects and wrote their three to four minute speech, topics were wide and varied and included, among others, Hippies, Florence Nightingale and Anti-discrimination.

The aims of Oratory 101 are to encourage pupils to improve their speaking habits and develop research procedures. To provide every child with the opportunity to compete in a public speaking contest, and to aid the teachers in emphasizing correct patterns in public speaking and in the writing of speeches.

Winners for Grades 1 and 2 were Marguerite Clouth-

ier, who recited "Betty at the Party" and Robert Bergevin with "The Monkeys". Grades 3 and 4 winners were Karen Heltan, with "My trip to Germany" and Rollande Berube, who spoke on Cancer. Winning contestants for Grades 5 and 6 were Debra Kremer, with "Why do people lie" and Patricia Sheehan, who talked on "Power to boggy ride".

The Glee Club under the direction of Mrs. B. Kennedy sang "Country Gardens". Master of ceremonies was J. S. Kaminski.

Canvassers Needed

This week is heart week in the Edmonton area and many canvassers are needed to canvass all parts of St. Albert. If you are able to assist in the canvass either Thursday or Friday you are asked to contact Don LaBelle at 599-3993.

St. Albert residents are urged to greet your canvasser with a smile and a donation for this most worthy cause. By supporting the Alberta Heart Fund, the heart you save may be your own.

Heart diseases are responsible for more than 50% of all deaths in Canada, and chances are that about the same ratio applies here in St. Albert. "Heart attack", "stroke", hypertensive heart disease, "congestive heart failure", "high blood pressure", "rheumatic heart disease" and "congenital heart disease" are words that appear all too often on death certificates in our town.

Research, made possible through your Heart Fund dollars can do much to overcome some of the above causes. Please give -- so more will live!

Sturgeon Health Unit Controlling Diabetes

I imagine most of us know at least one person who is a diabetic; it is a common disease. About 350,000 Canadians know they have diabetes, probably a similar number have it and don't know. One person in twenty will develop it in his or her lifetime. It gets more common with increasing age and women are more susceptible than men. The overweight are 10 times more likely to get it and sometimes it runs in families. What is it like to be a diabetic; how does it affect daily life?

To a younger person, the discovery that he is a diabetic comes as a shock; in the case of a child stress affects the whole family, until the fear of the daily or twice daily injection has been conquered. It is hardly surprising there is resistance to the idea of accepting dietary and exercise limitations, regular injections and urine testing for the rest of the life-time.

Adolescents and young adults are sometimes so upset as to reject the diagnosis and medical care completely and their condition may get out of control by default.

Great is the debt owed to Banting and Best, discoverers of insulin, but the majority of diabetics now diagnosed in middle-age and beyond can be adequately controlled by diet with or without tablets. For them adjustment is usually not too difficult although those who live alone have special problems.

Early symptoms of diabetes are thirst, excess urination, hunger, loss of weight and recurrent skin infections. Diabetes cannot be cured but it can usually be controlled. Recent research suggests that early diagnosis and treatment is likely to help prevent complications, which include heart and arterial disease, failing vision and effects on the nervous system.

Wider knowledge of the early symptoms, control of overweight and screening examinations (especially in the 'high-risk' groups) are the best weapons of prevention. Either urine samples or blood can be tested for sugar levels. Neither of these tests is quite fool-proof because a number of people have slightly raised levels of sugar in the blood or pass sugar in the urine without being diabetic, but screening tests help identify those who need more detailed investigation.

Mayor Fowler's Memo

There are a few indications in Town that the increase in swimming rates will possibly work a hardship to some families. At least a few people have complained to some of our Councillors that the Family Ticket increase to \$30.00 per year seemed somewhat unreasonable. After considerable study, one of Council's Standing Committees originally recommended that the Family Ticket be abolished completely and only single admissions be allowed as is the case in Edmonton. Council as a whole however felt that this was originally planned as a family facility and as such should remain within reach of as many families as possible. Even though we kept this in mind we could not overlook the fact that the Swimming Pool operated at a Operating Loss of some \$13,000 in 1967. This amount not including the Debenture Payment of approximately \$6000. Nor could Council honestly overlook the fact

that last summer was an exceptional summer as far as swimming weather was concerned. It is now our hope that this moderate increase in fees will decrease the operating loss while not creating an undue hardship on our residents. Council have again accepted my recommendation to allow the purchase of Swimming Tickets on your Water Bill. For those families wishing to take advantage of this method of purchase it will mean that the Season ticket can be spread over three water billings or six months. I strongly urge all our families in St. Albert to give serious consideration to this method of buying your family Season Ticket. Last year we had seventy-six thousand admissions to the pool and by this number I am convinced that it has been an excellent investment on the part of the Community.

A number of meetings have been held over the past month with a group of Senior Teens from both St. Alb-

ert High and Paul Kane High and it certainly appears that these young adults are determined to get their Coffee House off the ground. As a matter of fact it has already been christened "The Sanctum". Councillor Gibbon (who has been attending these meetings also) and I will be making a recommendation to Council at the next regular meeting of Council. I believe we are both as enthused about it as are the Teens. At any rate it should be a reality before the snow is off the ground. DO WE HAVE ANY HARD WORKING CITIZENS WHO WOULD LIKE TO ACT ON THE ADVISORY COMMITTEE- It is not our intention at this time to recommend that this group of Teens be directly responsible to Council and we are convinced that they are perfectly capable of conducting their own affairs to a very great extent with the possible help of an Advisory Committee.

Kirk Wins Legion

Mac Kirk, with players Irma Kirk, third; Bill Everts second and Dorothy Everts, lead, won the St. Albert Branch Royal Canadian Legion Invitational Bonspiel played at the St. Albert curling rink on Feb. 10 and 11. Each member of the team won an ultra modern tent heater.

Runners up in this event and winners of stem ware were players on the Vic Falconberg rink from the Kingsway Legion.

In the second event the Don Crichton rink from the Montgomery Branch came in first to win travel alarm clocks. Coming in second was the Doug Munro rink from the South Side Branch. They won bar glasses.

It was St. Albert's Geoff Wright skipping with Jim Dobbie, third, Gary Hodgins second and Jim Oliphant, third, that came first in the third event and won table lighters. Winning bar glasses as second place men in this third event were the players on the Cliff Coates

rink from Kingsway.

There were 24 rinks entered in the 'spiel from Edmonton, Calmar, Leduc and St. Albert.

On Feb. 10 a banquet was held in the Legion Hall with the Ladies Auxiliary serving. The ladies also served lunches and coffee through out the bonspiel. The Legion members were most grateful for their assistance.

The wind-up of the bonspiel was the presentation of prizes held at 6 p.m. on Sunday.

Geoff Wright was in charge of arrangements, assisted by Dave Fraser. Armand Donalds was draw-

master and Art McCormack was draw manager. All members of the branch assisted.

Proceeds from the bonspiel will go to the outfitting of hockey teams in St. Albert.

G. M. Awards

In 1966, 5,000 suggestions won \$220,000 for people at General Motors of Canada. Awards ranged from \$15 to \$6,000. Forty GM people each won more than \$1,000 during the year.

DON'T MISS THE ST. ALBERT LIONS' "KLONDIKE TOMBOLA" Coming March 22 and 23.

WIN FIRE PREVENTION AWARD

"We can't afford the serious fire waste of human and property resources" states fire Commissioner A. E. Bridges, provincial fire commissioner. "Every fire adds a further cost to our already high cost of living. Preventing fires is simply good stewardship."

Being frugal is not in any sense old fashioned. How else can we gain the benefits of our labors other than by having full term 'life use of our factories, stores, dwellings and institutions? Being careful or frugal by preventing waste by fire must be the duty of all Canadians."

Sturgeon Dedicates Cairn to Pioneers

Late in 1967 the MD of Sturgeon completed its centennial project by dedicating a cairn to the pioneers and their descendants in a public ceremony.

For the benefit of all our readers, it is only fitting that the complete list be printed as given from the MD office.

DEDICATION

To Pioneer Families established on farms in this Municipality by the year 1900 and whose direct descendants still reside and actively farm in this area in this Centennial Year of Canadian Confederation.

DEDICACE

Aux Familles Pionnières établies dans cette Municipalité par l'année 1900 et dont les descendants cultivent encore dans cette région en cette Année Centenaire de la Confédération Canadienne.

The secretary-treasurer of the MD of Sturgeon Alphonse Norbett, gave an interesting history of the Sturgeon area, excerpts of which are presented here:

"As we reminis we note that taxes, which amounted from \$2.50 to \$4.00 per quarter land prior to the

turn of the century, were paid to a Central Office at Regina. The property owners had the choice of paying in cash half the amount of their taxes and do roadwork for the other portion. Council meetings were held in a farm home which in most cases was the secretary-

Federal Liberal Assoc.

On Feb. 7 the Liberal Meeting for the federal constituency of Pembina was held in Morinville, where the delegates for the coming Liberal leadership convention for the riding were chosen.

Some 100 representatives were present with Gordon Rennie of Westlock, chairman of the meeting. Ed McCallum of Barrhead, chairman of the election committee announced the following slate of accredited delegates to travel to the convention in April from the Pembina riding: Paul Chalfoux, Morinville; Mrs. Marlene Durling, Westlock; Mrs. Hyde, Athabasca; Joe Renault, Westlock; Arthur Soetaert, Morinville and Dr. Whistle, Westlock.

C.W.L. Bonspiel

Morinville.

The Morinville Catholic Women's League annual bonspiel was held on Feb. 11. The winners of the mixed bonspiel were the Frank Brennells rink, with Clara Behiels as third, John Lister second and Mary MacDonald as lead, receiving small curling ashtrays as their prize.

Second prize was a tie between the Helen Rousseau rink and Louis Chalfoux, with Helen winning the draw. Allan Pelletier was third, Ann Pelletier, second and Frank Sale as lead. Booby prize went to Janet Krauskopf rink with Christine Vranas as third, Christopher Vranas second and Anne Gaetz as lead.

The day ended with a card party in the evening. Mrs. Helen Rousseau won the door prize. Rev. Sister Langlois won ladies high cribbage with Florence Vranas getting booby. Mens' high in cribbage went to Lawrence MacDonald - low to Allan Pelletier. Ladies high whist went to Mrs. Dorothy Curtis - low Mrs. Eva Desnoyer. Mens' whist was won by Louis Chalfoux.

Lunch was served.

COMMUNITY HISTORY

"Work on the above has been progressing most favourably in recent weeks. There are still one or two family histories outstanding. Please forward them as soon as possible. We are also awaiting several histories of community organizations. These are now very urgently required.

was produced on a farm five miles east of St. Albert by Bill Oust. This municipality is credited for having in operation the first flour mill, which was brought over from France by the Roman Catholic Mission and located in St. Albert, then moved down the Sturgeon River, south of Bon Accord. The mill plant ground the wheat into flour, shorts and other products during the winter months, for the farmers and population of the district.

"During the summer, this same power for the mill operations was kept busy sawing lumber from logs gathered by the settlers during winter time.

St. Albert is the most historical place in Northern Alberta. This is to be credited to Father Lacombe's most unselfish missionary work."

Namoo Winter Carnival

Miss Colleen Crozier is Queen of Namoo's 1968 Winter Carnival. The crowning took place on Feb. 10 at a dance which concluded the annual event.

Miss Pamela Crozier, 1067's queen placed the crown on her head after receiving it from crown bearer Master Tim Gauthier. The other two candidates were Miss Pat Ash and Miss Rhonda McMillan. Each candidate wore a beautiful corsage donated by Gladys Flower Shop.

The queen then drew tickets for the many door prizes. The \$50 donated by the Namoo School and Community League was won by Miss Hawryluk of Edmonton. Phil Gibson, Namoo was the winner of a \$10 gift certificate donated by Woodward Stores Ltd. R. K. Daviers of Edmonton won a box of chocolates donated by Baydala Drugs. Bath powder was won by Mike Sonillie, donated by Killarney Drugs. Carl Hanneman of St. Albert won \$10 which was donated by Continental Sporting Goods.

Dawson Motors donated car mirrors which were won by G. Short of Edmonton. A shampoo and set was won by Mr. Ken Cresswell and donated by Rosslyn Beauty Salon. Marshall Wells Ltd., donated an ashtray which was won by Don Perross. Saligo's Service, Namoo donated a spice rack and spices which was won by Donald Unrau. A toy farm set donated by Cockshutt Farm Equipment was won by Mr. Albert Soetaert, St. Albert. Mrs. Betty Samis won a set of side mirrors donated by Lauderdale Shell Station, Samis

Garage, Namoo donated a blanket which was won by Jackie Guignon. A \$10 gift certificate from Safeway Stores Ltd., was won by Bill Williams of Edmonton. \$10 from the John Deere Co., was won by Mrs. Anne Akins of St. Albert. Johnny's Store Namoo donated a food hamper which was won by Mrs. M. Jacobson.

The skating races on Friday afternoon were as exciting as ever for the school children. The winners were: Boys six years and under, Darren McDonnell, Girls six years and under Kimberly Horricks; Boys seven years Murray Speers; Girls seven Tracy Friedel; Boys 8 years Timmy Bokenfohr; Girls 8 years, Debbie Gauthier; Boys 9, Tim Booth, Girls 9 Patty Turner; Boys 10, Darrel Booth; Girls 10, Karen Crozier; 11 year olds, Darrel Booth and Janice Carruthers; 12 year olds, Leslie Crozier and Janice Carruthers; 13 year old, Leslie Crozier and Nancy Johnson; 14 year olds, Billy Akerman;

Morinville Memos

Note to all Golden Age members: Due to circumstances beyond their control, the Valentine Party announced for Feb. 18 sponsored by the Morinville Lions, had to be cancelled. It is hoped that another social will be held at a later date, when the Morinville Centre will be available on a Sunday evening.

Many little artists who took part in the Valentine cake decorating contest, sponsored by the Morinville United Church on Feb. 10. First prize was awarded to Marit Carlson, second was won by Sharon Lalonde; Garry Rothart, placed third in competition. Judges were: Mrs. Zed Storey, Sunday School supervisor, Mrs. Joe

Leduc and Mrs. Florence Vranas. Beautiful hand made Valentine corsages were presented to the ladies by members of the Sunday School handicraft classes: Louise Rothart to Mrs. Storey; Ruby Khullar to Mrs. Rhonda Stapleton, who hosted the cake sale; Marit Carlson, to Mrs. Vranas; Rose Marie Barilla to Mrs. Leduc.

"Mother where is the liniment?" was the cry of many old timer hockey players after Morinville defeated St. Albert 5-2 in a game at the Morinville Arena last week. Stars of the game were the goal keepers Charles Schafers and Garnet Wiley, Mac Ziske and Roger Blackburn who scored two goals. Other

scoring stars were Zed Storey, and Ed Kryskow, Arsene Riopel is the coach. It is rumored that Legal has been challenged by Morinville for a old timers game. Then the old timers Hockey Trophy will be up for grabs by the all stars of town versus farmers.

Mrs. Florence Edwards, was a welcome visitor from Broadview Sask., to the old home town where she visited her brothers, Lawrence and Raymond McDonald and families. She also visited her ailing father, Louis McDonald, who recently suffered a broken hip at Youville and has been a patient in Edmonton hospital, recovering from an operation for his injured hip.

The ladies from St. Charles parish, Mearns will come to Morinville and hold a bake sale and tea on Feb. 17. Mrs. Joe Byers, president of the local C.W.L. will convene.

David Kryskow, son of Mr. and Mrs. Ed Kryskow who cracked a bone in one arm, while playing hockey recently is reported to have his cast removed this week.

Mrs. George Clark chairman of the Morinville Centennial Library, reported that several new books have arrived and will be listed for public approval very soon.

The annual meeting of the M.D. of Sturgeon School Division was held in Cunningham School on Feb. 10.

Every candidate running as school board members in the M.D. of Sturgeon, were given an opportunity to address the audience of ratepayers.

One observation that repeated by many present was "why would less than 100 ratepayers attend an annual meeting, where a budget of over one million dollars tax money is involved? Public apathy is a real danger to all good municipal representation.

Next week, Feb. 18-24 is Scout, Guide, Cub and Brownie week.

There will be no school for pupils in Sturgeon and Morinville on Feb. 22 and 23 as it is the teachers convention in Edmonton.

Gibbons Guides

The Guides would like to thank Mrs. Doreen Lamoureux who gave up many of her Saturdays and Wednesday afternoons to test the following twelve Girl Guides for their child care badge. Dana Coley, Debbie Mitchell, June Fraser, Cathy Morin, Luann Lamoureux, Helen Rigney, Sherry Dawson, Tracy Mabbutt, Anna St. Nicolaas, Darlene Boettger, Dorin Morin, and Peggy Williams.

June Fraser earned her dancing badge, by tester Mrs. Joan Westmouth, Mrs. Gladys McWhirter tested Darlene Boettger, Debbie Mitchell, Anna St. Nicolaas, and Doreen Morin for their hostess badge.

Pat Epp flew into Guides while Christine Shaw, Morleen Hutchings, Dale Luska, Darlene Rasco, Shannon Mabbutt and Deonn Lamoureux walked up into Guides.

A welcome is extended to all, to attend our Guide Valentine Tea on Sat. Feb. 17 from 2 to 5 p.m., in the Gibbons Legion Hut. There will be a program at 2 o'clock, home baking table white elephant sale, and door prize.

Science

The board of trustees of the Sturgeon School Division No. 24 met at Morinville

Those present were: school trustees; Mrs. L. Hole, Messrs. McDonnell, Austin, Wilson; superintendent, A. E. Kunst; secretary-treasurer, C. Krauskopf; recording secretary, J. B. McDermott. Mr. Kunst informed the board that a new course will be coming out at the elementary level for the teaching of science. At present, he has set up a committee and issued an explanatory letter to each member. He will have more to report on this at a later date.

Sturgeon School

Division No. 24

Elections in subdivision one and four will take place on Feb. 17 with the polls open from 1 to 7 p.m.

Two candidates are contesting each subdivision.

In number four it is two ladies, Mrs. Mary Hittinger of Morinville and Mrs. Lois Hole of St. Albert.

In subdivision one it is John McConnell and George Soetaert.

In each case there is only one seat vacant so one will be a winner and one will lose.

NAMAO WINTER CARNIVAL

and Beatrice Zima; 15 year olds, Brian Clark and Wanda Kolba, Girls 10 and under balloon race - Noreen Bokendorf; 11 years and over Irene Crozier; Boys 10 and under relay - Murray Huff, Kenneth Colburn, Gary Kolba and Douglas Craig, Boys 11 and over relay - Brian Clark, Bill Akerman, Jerry Grant and Larry Semenluk.

Saturday saw lots of action as far as hockey was concerned, Namao Mites defeated Horsehill 5-0, Namao

PeeWee's defeated Redwater 8-1 and the Namao Bantams defeated Redwater 8-3. Patry Service Bantam AA beat Lancaster Park midgets 5-2.

The Namao Junior Girls basketball team hosted 7 other teams in a tournament on Feb. 10. Teams from Horsehills, Bon Accord, Gibbons, Mission Park, Camilla, Legal, Georges Vanier and Namao Schools took part. After several hard fought games Horsehill won the first place trophy and the Georges Vanier team was the victor of the consolation trophy.

A large crowd attended the annual Variety Night held Friday evening Feb. 9 in the school auditorium. Ron and Dianne Nelsen again thrilled the audience with their singing. A great variety of local talent was enjoyed by all.

A monthly meeting of the Namao F.U.A. local was held Thursday evening Feb. 8 at the home of Mr. and Mrs. Herb Craig, Namao, with about eighteen members present.

On Feb. 6 Namao Bantams played Gibbons at Namao and beat them by a score of 14-6. Gerry Grant made 3 goals and 5 assists. Les Crozier, Bill Akerman, Ron Slekkyk all made 3 goals also and Brian Clark - 2 goals.

The Sweetheart Ball

Around 200 persons attended the St. Albert Lady Lions annual Sweetheart Ball at the Club Mocombo, Feb. 9. Music was by the Golden Nuggets and a smorgasbord supper was served at midnight. Mrs. Duprose of Edmonton was the winner of the wig raffle. Her ticket was drawn by Mrs. R. Bate of Rae's Beauty Salon. The door prize was won by the Scraba's from Lacombe. Mrs. Scraba was presented with a box

of chocolates, while her husband won an aluminum door.

Entertainment was provided by Sharon McMaster with a dance routine, and Lions George Willis, Evert Anhout and Roy Gilleys performed their now famous Mexican Hat Dance. Sadie Waunch, was vocalist and Ed Arkle on the piano.

Special guests included Deputy Zone Chairman Alex Tait and Mrs. Tait from Swan Hills.

The Legion of Mary

The C.W.L. met Feb. 5 Mrs. Nora Lancaster gave a talk on the Legion of Mary, a group of laymen apostolates who work in the community with Catholics who are experiencing difficulties. The C.W.L. will be elec-

ting a new executive in April.

The group agreed to give financial assistance to help renovate a club room in the Parish Hall. Carpeting for the meeting room will be purchased by the C.W.L.

A general discussion fol-

owed on the role of the C.W.L. in regard to the diocese.

Due to "operation renewal" the card party has had to be postponed till next month.

Award to E. Collingridge

Ernest Collingridge, St. Albert was among some 70 construction apprentices from throughout Alberta who received special achievement awards during ceremonies at the Northern Alberta Institute of Technology in Edmonton on Feb. 14.

These achievement awards are being made by the recently formed awards board of the Alberta Construction Association, and are made available by individuals and business firms related to construction, trade unions and also construction management associations.

Silver Gloves

The Silver Gloves Boxing Tournament will be sponsored by the St. Albert Boxing Club on Feb. 17. This tournament is open to all boys who were under 16 years of age on Sept. 15, 1967 and who have competed in six or more sanctioned matches.

The Silver Gloves is the top calibre of boxing for junior boxers and the winners of the Silver Gloves will be recognized as the best junior boxers in the province. They will be picked as the Alberta team to compete in the Western Canada Junior Championships later in the spring.

To date entries have been received from Rocky Mountain House, Acme, Red Deer and as far away as Yellowknife N.W.T.

Mission Hill News

In remembrance of Baden Powell, the founder of the Cub and Scout movement, the First St. Albert Cubs and Scouts are holding their church parade Feb. 25 at 12:30 Mass. This will be followed by the annual Father and Son banquet in the church hall at 4 p.m. Guest speaker will be Frank Consentino of the Edmonton Eskimo Football Club.

So, fathers, mark this date on your calendars for an enjoyable get-together with your boys.

Members of the Guiding and Scouting movements who have not had the opportunity to pass their Religion and Life Award tests can do so on Saturday morning, Feb. 10 from 9 a.m. to 12 noon, in the parish hall.

Boy Scout Rally

The Landing Trall District Boy Scout Rally, which was scheduled for Feb. 11 has had to be postponed due to the warm weather. Scouting officials worried about the weather dropping below zero but never stopped to think that may be it would be too warm. If the weather returns back to the usual Alberta February temperatures, the Rally will be held Feb. 18.
